This Program is Guaranteed to Save You Money

If you decide to cancel membership or at year's end, if there is a difference between enrollment fees and the savings you generated from usual fees, we can refund the difference. The savings is fully guaranteed. If you decide before your first visit our Membership Plan is not for you, you may have a full refund. If you have used so little treatment that your savings are less than enrollment, you may have a refund of the difference.

This program is not combined with any other savings programs such as our pre-payment or senior discounts. We still offer Care Credit no interest payments, but at standard fees.

This is our **Membership Plan** to help you with the benefits of individual dental insurance without most of the restrictions.

It is a discount plan and is guaranteed to save you if you use it. It is intended to help patients who do not have employer sponsored insurance and to be superior to individually purchased plans.

You do not have to be a new patient to the practice, it is available for all. It covers all services we provide, even cosmetic. There is no deductible, yearly maximum, or additional "per visit fee" like many other plans. There are even benefits for our in-house specialists on their work done here at Dillon Family Dental.

Enrollment is simple, you can enroll yourself or your family. Your dependents through age 25, if in school or living at home. There is very little paperwork or any reimbursement from an insurance company. You must pay for the services at the time provided, and we take checks, cash, and credit and debit cards.

There is not a time delay or waiting period for benefits, when you pay your Membership Fee you may start receiving the savings. For an adult patient without insurance, a new patient examination, complete set of x-rays and healthy mouth preventive cleaning would cost \$370.

With this Plan You Receive:

1. Both of your six month healthy mouth (preventive) Cleanings (1110), Complete Examinations, and any needed films including full mouth x-rays or panoramic film when needed, without charge
2. 30% off additional cleanings per year, or any Periodontal Disease Maintenance or Periodontal Disease Treatment (DSRP- 4341) cleanings.
3. One additional Emergency Exam and Periapical x-ray per year if needed without charge.
4. 20% off all Fillings (including tooth colored), Complete or Partial Dentures, Veneers, Simple Extractions, Crowns or Bridges including implant abutments and Crowns, additional emergency visits per year, Clear Correct or Invisalign Orthodontics, and most basic services.
